(c) the effect of sex education on the adolescents; and

(d) the purpose of the implementation of this education?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): (a) No, Sir. Ministry of Human Resource Development in collaboration with National AIDS Control Organization (NACO) has launched an educational programme, known asAdolescence Education Programme (AEP) meant for secondary and higher secondary classes with the objective to empower the adolescent population to make informed choices and develop life skills for addressing psychological, social and health concerns.

(b) According to information received by National council of Educational Research and Training (NCERT), which is the nodal organization for Adolescence Education Programme, State Government of Gujarat has decided not to implement Adolescence Education Programme, and the State Government of Kerala has decided to review the content of the programme. The State Government of Rajasthan has informed that it has decided not to implement the programme in its present from.

(c) Adolescence Education Programme responds to the learning needs of the adolescent. There is no programmeof "sex education" by CBSE.

(d) The Adolescence Education Programme is aimed at the following learning outcomes: (i) to make the learners aware of major concerns, *i.e.* process of growing up during adolescence, HIV/AIDS and drug (substance) abuse, (ii) to inculcate in them positive attitude regarding these concerns; and (iii) to help them acquire life skills so that they avoid risky situations like HIV infection and drug abuse and develop healthy and responsible behaviour.

WRITTEN ANSWERS TO UNSTARRED QUESTIONS.

Institutions on oceanography in the country

3347. SHRI ABU ASIM AZMI: Will the Minister of EARTH SCIENCES be pleased to state:

(a) the details of institutions/colleges set up in the country on oceanography, State-wise and since when;

(b) the length of the Eastern and Western coastal lines;

(c) whether some more institutions/colleges are to be set up; and

(d) if so, the details thereof?

THE MINISTER OF EARTH SCIENCES (SHRI KAPIL SIBAL): (a) At present there are several institutions/colleges in the country where oceanographic research is supported. A list containing the prominent ones among such institutions State-wise is given in the enclosed Statement. (See below).

(b) The country has a coastline that is 7516.6 Nine kilometres long of which the Eastern coast accounts for 2545.1 line kilometers while the Western coast accounts for 2877.5 line kilometres. The Andaman and Nicobar islands are 1962 line kilometers long while the Lakshadweep island are 132 line kilometres long.

(c) Yes, Sir.

(d) The Ministry proposes to establish an extension centre of National Institute of Oean Technology (NIOT), Chennai at Kolkata in XI Five Year Plan.

Statement

State-wise list of institutions/colleges set up on oceanography

Institute/University/Organisation	State
1	2
Centre for Ocean and Marine Biology, Pondicherry University, Port Blair, National Institute of Ocean Technology, Port Blair	Andaman and Nicobar
Andhra University, Visakhapatnam*	Andhra Pradesh

Proposal for Tsunami Warning Centres

3348. SHRI K.P.K. KUMARAN: Will the Minister of EARTH SCIENCES be pleased to state:

(a) whether Government have received any proposal under its consideration to establish some more Tsunami Warning Centres other , than the ones already selected under Phase-I, namely Chennai, Cuddalore, Nagapattinam, Rameswaram, Tuticorin and Kanyakumari; and

(b) whether Government will take into consideration a new idea of establishing Sub-Centres in between these six Centres since the distance between these Centres is feared to be too large?
